Art Unit: 2818

DETAILED ACTION

Reason for allowance

1. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests a method of packaging an optical module using flip chip bonding, the method comprising: coupling the optical device chip with the optical sub module by inserting the optical fiber into the through hole of the optical sub module to be aligned with the optical device chip.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Vu whose telephone number is 571-272-1798. The examiner can normally be reached on Monday-Friday 8:00am-5:30 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Nelms can be reached on 571-272-1787. The fax phone numbers for the organization where this application or
